ATTENDANCE POLICY

The Leadership Kernersville program is a mutual commitment. Our chamber volunteers secure the time of leading local and regional community leaders to conduct the various sessions. It is also a significant commitment on your part as participants. To successfully complete the experience, each participant is expected to fully participate in all monthly sessions. Any participant missing more than one monthly session can make up the missed sessions, and graduate the following year. In summary, you are allowed to miss one class to graduate on time.

Applicant: I understand the time commitment required for participation in the Leadership Kernersville experience, and if I am accepted as a participant, I will devote the time necessary to be an effective participant.

Join the Leadership Kernersville Class of 2009

Thank you for your interest in Leadership Kernersville. This program has a rich history of involvement from community leaders that dates back to the initial class of 1992-1993. We have found participation to build up a special bond among class members, in addition to getting the opportunity to learn about key community issues and meet community leaders.

Although our program has been very successful, we try to improve it every year to help your experience look at today's issues in a contemporary way. This year is no exception.

Some of the highlights of the 2009-2010 program include:

- You will meet many key community leaders — from Kernersville, the county and the triad.
- We have modified the schedule to match the school year more closely, starting in September and finishing in May.
- We anticipate being selective in choosing the 2009 Leadership Kernersville class. We anticipate many more applications than the 18-20 people accepted into the class.

The overall topics are:

Get Acquainted Reception

Myers-Briggs Type Indicator/Retreat at YMCA Camp Hanes

History of Kernersville & Our Heritage

Human Services & the Faith Community

Government Day

Education

Law Enforcement

Regionalism

Economic Development

Health Care (morning)

Graduation (evening)

This experience is limited to 18-20 people. We encourage you to apply to acceptance into the program.
